

KING OF THE RANGES 2021 WRITTEN POETRY COMPETITION RESULTS

Although the actual 2021 King of the Ranges Stockman's Challenge and Bush Festival was cancelled due to Covid-19 restrictions, the Written Bush Poetry Competition has taken place, and it was tremendous that a great number of poets from all over Australia supported this competition, initiated by Carol Heuchan for the 2020 Event.

The Committee congratulates all the prize winners and extends a huge thank you to Carol and Kay for ensuring the continuation of what has proven to be a very popular inclusion in the annual KOTR Festival.

Helen Harvey's poem "Where the Curlews Nest" took out the Overall Championship and Helen's name will be engraved on the Outback Heritage Perpetual Trophy donated by Carol Heuchan. Helen also placed in both categories with three more entries. CONGRATULATIONS!
